Suffolk County Airport Fire Training Area Remedial Investigation Report  
Review Meeting Reminder

Please be reminded of the meeting scheduled for 9:00 a.m. on January 14, 1988 at the Suffolk County Air National Guard Base for reviewing and discussing the Draft Remedial Investigation Report for the Suffolk County Airport Fire Training Area (FTA) that was distributed in October, 1987. It will be helpful for your comments and suggestions to be submitted in writing. Both the meeting discussion and keeping accurate records will be assisted from written comments.

The scope of the 9:00 a.m. meeting on January 14 will be restricted to issues directly associated with the FTA. Upon completion of the FTA Remedial Investigation Report review meeting, a follow-up meeting will be hosted by Major Scott Smith, USAF HQ LEEV for the purpose of discussing other issues associated with Suffolk County Airport. January 15 is being set aside for additional meeting time, if required.

Thank you for your attention to this matter.

Sincerely,

*William W. Owens*
